### Food Allergy Disclaimer

Eagle Fern Camp makes every attempt to identify ingredients which may cause allergic reactions for those with food allergies. Every effort is made to instruct our food production staff on the severity of food allergies. However, there is always a risk of contamination. There is also a possibility that manufacturers of the commercial foods we use could change the formulation at any time, without notice. Those who are concerned with food allergies need to be aware of this risk. Eagle Fern Camp will not assume any liability for adverse reactions to foods consumed, or items one may come in contact with while eating at Eagle Fern Camp.

### EFC No Lice/No Nits Policy

Because head lice are prevalent in our communities, parents are asked to check the camper's hair for evidence of lice and/or nits one week before camp begins to allow adequate time for treatment if necessary. Please confirm the absence of lice/nits the day your child comes to camp. Camp personnel will screen campers for head lice as they arrive. Eagle Fern Camp maintains a strict "No Lice/No Nits" policy. Any camper with evidence of lice at registration will not be admitted to camp.

### Liability Release

I authorize the Eagle Fern Camp medical staff to assist my child with the listed medications he/she will be bringing as indicated by written directions of the prescriber. I further authorize the camp's staff to dispense over the counter medication except exclusions I have listed above.
